*You are Special*

*“Special” is a word that is used to  
Describe something one-of-a-kind.*

*Like a hug or a sunset*

*or a person who spreads love with a smile or a kind gesture.*

*“Special” describes people who act from the heart  
and keep in mind the hearts of others.*

*“Special” applies to something that is admired and precious,  
and which can never be replaced.*

*“Special” is the word that best describes You.*
